WORK EXPERIENCE

■ JUNIOR DESIGNER | GRANITI VICENTIA

SEPT 2024 - PRESENT

Design development for multistorey hospitality projects across Marriott, Hilton, and Wyndham brands, delivering custom solutions for them and its subbrands. Created spec sheets using SPEXX, visited sites reviewed shop drawings, and ensured compliance with ADA standards. Collaborated with local and international vendors to tailor FFE specifications to client and brand standard needs. Led the design of custom artworks for hotels across the country and coordinated bids, attended client meetings, and brand reviews. Worked across global teams to streamline project execution, utilizing tools like AutoCAD, Bluebeam, Sketchup and Photoshop to develop and refine custom designs while ensuring alignment with brand and architectural standards.

■ TEACHERS ASSISTANT | SCAD

JUN 2024- AUG 2024

Assisted a professor in a 3D Form in Space class with 30+ students, facilitating smooth daily operations and enhancing student satisfaction through hands-on support and individualized problem-solving. Managed class activities, provided lesson assistance, and ensured an effective learning environment, contributing to improved learning outcomes.

■ GRAD MENTOR | SCAD

SEPT 2023 - AUG 2024

Mentored 3 first-year undergraduate students, guiding them through structured project planning, timeline creation, and providing feedback in their assignments, resulting in successful project completions and enhanced time management and professional growth.

■ ORIENTATION ASSISTANT | SCAD

AUG 2023 - AUG 2024 |

Assisted in orienting over 1000 new students by providing guidance, answering queries, and ensuring a smooth transition into the program.

■ INTERIOR DESIGNER | STUDIO OSMOSIS

AUG 2021 - MAY 2022

Managed design execution for 5000+ sqft high-end projects across residential, hospitality, healthcare, commercial and ancillary design sectors, optimizing budgets through detailed BOQs and client-focused presentations. Designed and presented concepts using Procreate, Sketchbook, Photoshop, V-Ray, Lumion, Enscape, AutoCAD, SketchUp, and Microsoft Office. Played a pivotal role in material selection, material sourcing, FFE finishes, and design execution. Conducted site visits, collaborated with a senior designer and interns, and ensured precision in implementation, delivering designs that met client expectations and brought creative visions to life on-site.

■ EDUCATIONAL VOLUNTEER | Sevadaan Special School

DEC 2017 - MAR 2018

Volunteered for a social involvement programme as an educational volunteer for over 50 special students, supporting teachers in teaching basic English, maths, and arts while fostering growth through engaging activities and, in turn, learning valuable lessons of patience and understanding.
